

2-Piece System

FLEXIMA® KEY

THE KEY TO FEELING SECURE WITH EXTRA FLEXIBILITY

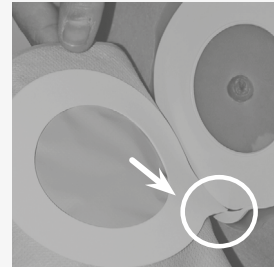

Flexima[®] Key

The guided positioning

A major step towards security!

Key Guided Positioning

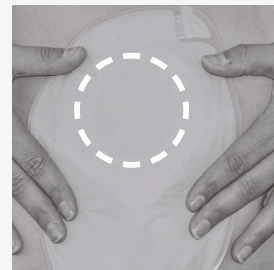

- Precise and simple positioning with a guiding system
- Secure set-up decreases risks of leakages
- Minimum patient education: intuitive coupling

Key guiding system

Secured Coupling System

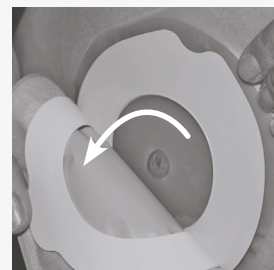

- Large stable track, no distortion.
- Specific adhesive foam formula ensures optimum leak proofing

Pouch fitting

Easy Pouch Removal

- Special cut-away section at the top of the flange
- Pouch ring leaves no residue when the pouch is removed

Removal

Extra flexibility

Soft material for flexibility

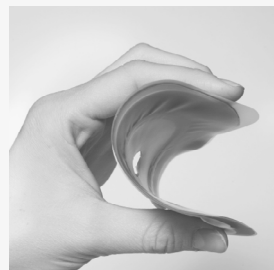

- Follows body contours

Smooth and low profile track

- For an easy cleaning and great discretion

Soft convexity to reduce leakage

- For flush or slightly retracted stomas
- A belt can be used for more security

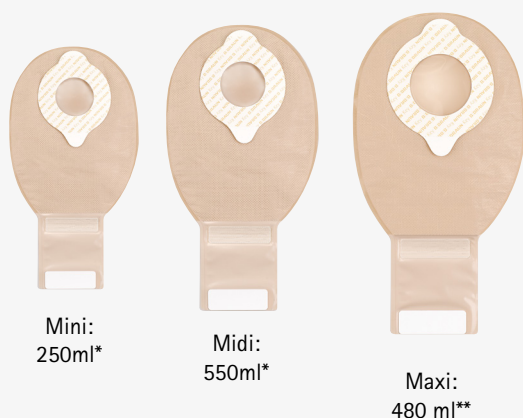

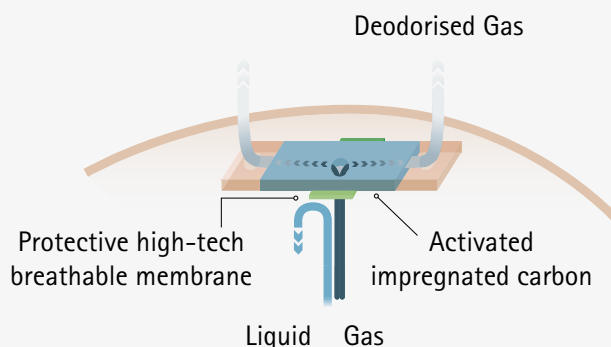

Flexima[®] Key

Drainable Roll'Up pouches

High performance filter

- Water and oil resistant filter
- No risk of staining clothes
- Low risk of pouch ballooning

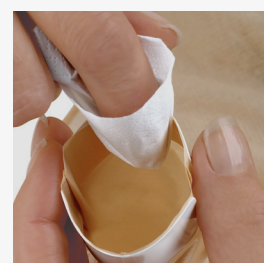

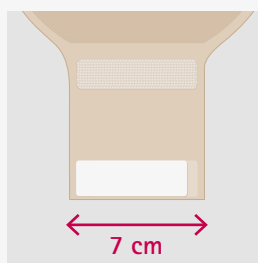

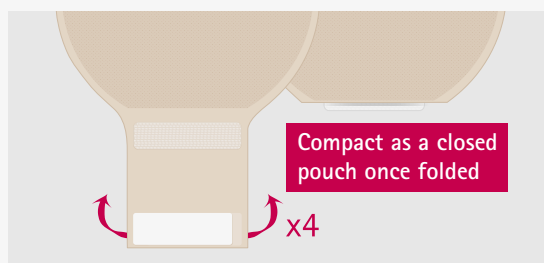

NEW Shape and features

- Ergonomic shape for more wearing comfort
- Optimized sizing for optimized capacity

Integrated soft Roll'Up clamp

Intuitive and secure closing system

- Easy to use outlet
- Soft edges for an increased wearing comfort once the Roll'Up is closed

- A large 7 cm outlet to facilitate stool evacuation for both colostomates and ileostomates

- Easy to open & clean thanks to the white opening tabs

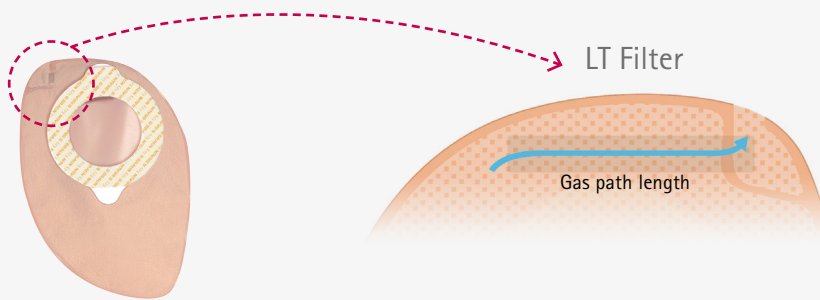

* for diameter 50mm

**for diameter 80mm

Flexima[®] Key

Closed and Drainable pouches

Closed pouch

- **Laminar technology filter:**

- High performances of degassing and deodorizing

Maxi drainable pouch

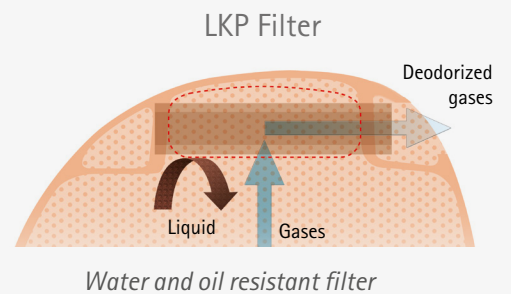

- 1. **Comfort:**

- Funnel-shaped for a perfect output control
- Large diameter for easy emptying & direct connection to a Flow Collector bag

- 2. **Security :**

- Easy to open and close
- Suitable for patients with low dexterity

Flexima[®] Key

Right positioning – Fit from the start

Users very satisfied*

- Security feeling
- Comfort during wear

* Report on Flexima[®] Key
post-marketing user evaluation
– 2005

« The key system is «idiot proof; always in the right spot»
Giny- ET nurse, Netherlands

« Very easy to use for a lot of people»
Jos- ET nurse, Netherlands

« The Key is a good idea because the problem we're facing with this kind of product is being able to position it correctly.
With Key, you can't go wrong!»
Isabelle- ET nurse, Netherlands
